# who we are

My baka (Croatian for grandmother) was a loyal, respectful and loving woman who was dedicated to her family and was a wonderful cook. Baka Gallery Cafe operates with these same principles: working together as a team we're dedicated to every customer we have the privilege to serve.

## the Baka Cafe

Our menu contains an extensive range of homemade gourmet delights to indulge your tastebuds. We crafted these recipes to bring you the flavour of a less hectic time, when people cooked with care and patience. Our unique blend of traditional flavours and beloved recipes are inspired by our bakas (grandmothers) from all over the world.

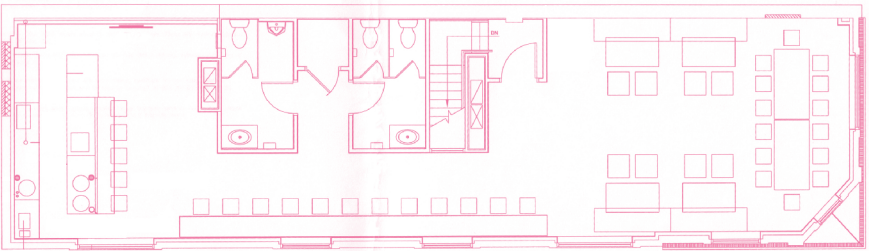

# highly versatile space

- Our gallery space is well-suited to a variety of events ranging from product launches to film screenings, from corporate meetings to social gatherings.
- State of the art A / V equipment consisting of multiple large screen TVs, projector, great sound system and wireless microphones.
- The gallery layout keeps the sleek and well-stocked bar separate from the main event space.
- Free WIFI

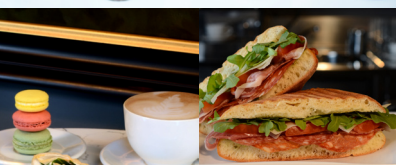

# great atmosphere

- The perfect contemporary event space to entertain up to 60 guests in trendy Bloor West Village.
- Inspired by Paris meets New York, our gallery has a cosmopolitan feel.
- Sleek and sophisticated setting with exposed brick and reclaimed wood tables creating warmth and intimacy in a large room.

# food

Our food is made with fresh, local and wholesome ingredients and made with love and care.

- Our chef pours time, energy and enthusiasm into all the dishes she creates. Her passion for food shows in her desire to make as many items as possible from scratch, like her homemade bagels, scones, soups, even her dressings and jams. Leah has created the perfect menu for any event.
- Select from one of our chef-created packages or customize a menu all your own...the choice is yours.
- Our full kitchen is equipped with top-of-the-line equipment. From breakfast and lunch, to hot and cold hors d'oeuvres to sit-down meals, we have all the right tools to meet your expectations.

# drinks

A drink is a great way to set the atmosphere and mood to any party or function.

- Enjoy coffee, lattes and more from our own custom blend of beans. Toronto's renowned coffee guru Sam James created our coffee menu and trained our baristas.
- Freshly squeezed orange juice and lemonade.
- Full service bar serving standard and premium liquor, wine and beer.
- A customized themed cocktail can be created for your event.

We care as much about the  
success of your event as you do
